Lifetime Warranty

Warranty only applies to the original purchaser and is not transferable.

1) Performance Automatic, Inc. warrants to the purchaser a Lifetime Warranty that it will repair or replace at it's option any Performance Automatic, Inc. transmission or transmission component that fails due to a defect in materials or workmanship.
2) Warranty begins on the date of the retail sale and is verified by the original purchase receipt and warranty registration.
3) It is the purchaser's responsibility to register this information with Performance Automatic within 30 days of purchase date with a copy of the warranty registration form and **purchase receipt**. Warranty repairs will not commence without proper registration.
4) Customer is responsible for all shipping costs to and from Performance Automatic.
5) Warranty work to be performed by Performance Automatic only.
6) Once repairs are completed Performance Automatic will arrange return shipment through Performance Automatic's approved carrier. Customer will prepay for shipping and handling costs before shipment. At ***no time*** will Performance Automatic authorize shipments using customer freight arrangements.

The warranty does not cover:

1) Damage due to improper installation, negligence, contamination, driveshaft failure, non Performance Automatic torque converter failure or accident.
2) Damage as a result of overheating, contamination or lack of lubrication.
3) Components used in excess of their stated horsepower limitations.
4) Loss of time, inconvenience, loss of use or other economic loss.
5) Shipping costs to & from Performance Automatic.
6) Shop labor to remove, reinstall or replace the transmission.

Warranty must be mailed, faxed to 240/439-4873 or e-mailed to Performance Automatic within 30 day or purchase.
